

## **Mad River Valley Television Mission Statement**

The mission of MRVTV is to provide public access to the airwaves through a publicly administered non-profit entity. MRVTV will give community members a voice allowing them to use the medium to express views and opinions on topics of local or personal interest. MRVTV and volunteers from the community and area schools will provide the equipment and training. Airtime will be available equal to all trained community members. Channel 44 will also be used by MRVTV staff and volunteers to provide coverage of local governmental meetings, as well as community happenings, school events, public debates and other relevant local events.
